Features:

Hand held support
A thick elastic strap enables your hand to be held securely in place for a firm and convenient grip. This provides comfort and flexibility when using any of the iPad 2's functions.

Dual Height
Dual height settings allow perfect positioning for all iPad 2 functions. When not in use the height positioning stands clip conveniently back into place and out of view.

Full access & padded protection
Thick, durable, padded protection along with a double stitched edge ensures your iPad 2 is protected and safe from all the elements. Open design for easy attachment of accessories and full access to all iPad controls.
